

## *Jungle Baby Shower*

The monkeys are howling with glee  
The lions and tigers are sporting huge grins  
The entire jungle is full of excitement  
Because                      is having twins.

Since there will be two babies  
Mom needs two of everything  
From diapers and bottles  
To clothes, blankets, and maybe a swing.

Come have a wild time  
Make sure a gift you do bring  
You'll enjoy our trip to the jungle  
So let's make this shower a special evening.
